# THE ULTIMATE CATALOG OF FREE TYPEFACES: SANS SERIF EDITION

A catalog of 40 sans serif fonts that are free for both commercial and personal use.

**KEVIN MANJIT**

# INTRODUCTION

The typefaces on this catalog are ordered randomly and not based on any subjective measure of quality or "goodness." The aim is to showcase a diverse range of typefaces, rather than rank them in any particular order.

These typefaces are available for both personal and commercial use, but it is important to review the licensing information provided in the associated link to ensure proper usage.

The content on this catalog is the property of Kevin Manjit and is protected by copyright law. Reproduction of any kind, including digital or physical, without written consent from Kevin Manjit is strictly prohibited and may result in legal action.

Enjoy!

## ENDING REMARKS

Thank you for looking through this catalog of typefaces. I hope you consider using some of these for your design projects!

An extended version of this catalog will be released in the future, featuring a wider range of typefaces and design options. In addition, I will also be releasing additional catalogs with serif fonts, mono fonts, display fonts, and more.

Go check out [my personal website](#) ↗ and drop me a line if you need design advice or want to talk about design.
